West Albany High School
Athletic Fee Deferment Application

Our goal at West Albany is to allow every student who has an interest in athletics and activities to fully pursue their goals. While these programs can be expensive to operate, and we need participation fees to assist with the costs, we also never want to have the fees stand in the way of a student's involvement.

The following options are intended for those families that might have difficulty meeting the fee requirements. Please mark the option you wish to apply for:

- ☐ $75 reduced fee
